Kite Flying Contest Here Sunday p. m.

Cub Scouts will hold their annual flying contest Sunday afternoon, March 3, at the old airport if weather permits. In event of a delay the contest is set for the first pretty Sunday afternoon.

All Cub Scouts are invited to participate. Only home made kites will be judged. Prizes will be awarded for first and second places for the highest flying kite, the largest, smallest, prettiest and the oddest. All kites will be judged at 2:30 p. m.

Cubs entering must register before they put their kites into the air. All kites must fly at least 20 feet high and Cubs may have assistants.

The prizes include a flash camera, flash lights, knives, fire by friction set, first aid kit donated from Louisiana Nevada Transit Co. and Haynes Bros.

Governor Claims Being 'Pressured'

LITTLE ROCK (AP)—Citing what he called "terrific pressure" from out-of-state insurance companies, Gov. Orval Faubus said yesterday that a New York man had told an attorney here to "name your price" to defeat an administration insurance proposal.

Faubus declined to name the attorney and said he did not know the name of the New Yorker who telephoned the lawyer.

"I am not going to be dictated to by the New York insurance companies," Faubus said.

Private Eyes Used to Get Information

LOS ANGELES — A private detective has told a State Senate investigating committee that the way to get rid of scandal magazines is to get rid of scandal.

The committee is inquiring into sources of information used for articles in such publications. The private eye, Fred Otash, also testified yesterday that he once was Anita Ekberg's boy friend, and that he later supplied Confidential magazine with secret photographs of the shapely Swedish actress.

Otash suggested to the committee that the Communists and the sex deviates be ousted from the movie industry, that male movie stars stay with their wives and female movie stars stay with their husbands.

"If you do that," added Otash, "you have eyes in the back of your head to drive safely in Europe."

Newsboy Dies in Accident at Hot Springs

HOT SPRINGS, (UP) — A 13-year-old Hot Springs paper carrier was killed instantly yesterday when his motorcycle smashed into the side of a slow-moving Missouri Pacific freight train.

The badly mangled boy of Herman Howard Wilhelm, a Junior high school student, was dragged 93 feet before the train was brought to a stop. The accident happened at the Richard street crossing.

The victim was the son of Mrs. Mildred Anita Hooker and Walter Wilhelm.

A companion on another motorcycle said he heard the train sound its whistle before entering the crossing and slowed down. He said the Wilhelm youngster apparently did not see the train in time to stop.

W. B. McGuire of North Little Rock, fireman on the train, witnessed the accident. He told police there was nothing he could do in time to avoid it. He said the freight was moving at 12 miles an hour.

DRIVE DEFENSIVELY

WZESBADEN, Germany (AP)—The U. S. Air Force's European headquarters, worried by a rising auto accident rate among its men, has told its airmen to drive "defensively." The headquarters statement added: "You have to have eyes in the back of your head to drive safely in Europe."

Senate Ignores Court Ruling in Gas Rate Deal

LITTLE ROCK (AP)—The Arkansas Senate today passed a bill requiring that the "fair field" price theory be considered by the Public Service Commission in determining gas utility rates.

There was no discussion of the House measure and it passed by a vote of 34-1. Only Sen. Morrell Gathright of Pine Bluff voted against the bill.

Last Monday, the Arkansas Supreme Court, in ruling out a \$4,300,000 rate increase which had been granted to the Arkansas Louisiana Gas Co., said that the PSC was not justified in using the "fair field" theory in figuring Ark-La's rate of return on its investment.

Ark-La produces some of the gas it sells and buys some of it from other producers. Under the "fair field" price theory, the company is allowed the price of the gas it produces—just as if it had bought the gas from other producers.

Sen. Marshall Shaekeford of El Dorado who called the bill up in the Senate, made a speech for the bill and there were immediate cries of "call the roll."

The measure now goes to Gov. Orval Faubus.

The Senate gave unanimous approval to a compromise bill which would give cities and counties larger shares of motor vehicle revenue.

Sen. Charles F. (Rip) Smith of West Memphis took only a few seconds to explain the bill and it passed by a vote of 29-0.

The bill, which now needs only Gov. Orval Faubus' signature to become law, would raise the cities' share from one million dollars to about 3½ million annually and the counties from 6¼ million to about seven million.

Little Rock to Get Teletype Factory

LITTLE ROCK (AP)—The Teletype Corporation, a division of Western Electric, today announced plans for a huge new plant here.

Officials of the company said that the plant eventually may employ 1,600 persons with an annual payroll of about nine million dollars.

The new plant will be used to manufacture complex telegraph printing instruments and the company will employ engineers in electronics, metallurgy and other fields.

The company also will employ a variety of other personnel, including skilled and semi-skilled workers.

The plant will be located on a 108-acre site the company has purchased in southwest Little Rock. The site is near the American Machine and Foundry Co. plant, which was established a few months ago.

Hope Praised for Success of Tournament

High School Principal Julius Adams received a letter from J. M. Burnett, executive secretary of the Arkansas Athletic Association, praising the manner in which the State A Girls Tournament was held. The letter follows:

"This is to acknowledge the financial report for the State A Senior Girls Basketball Tournament held at Hope on February 20-23. We also have received the score book, basketball, newspaper clippings, and your check to the amount of \$2198.96."

"We have already received many highly complimentary statements as to the manner in which the tournament was administered. To Mr. Jones, your coaches, teachers, radio and newspapermen, student body, and all the patrons of Hope, we express our deepest gratitude."

"Everyone did a magnificent job and the tournament was highly successful in every respect. The bench officials as well as the floor officials were also highly praised. When this happens we feel it must have been a wonderful tournament. The sportsmanship of everyone concerned must have been outstanding."

"Thanks again to all of you for a most difficult job well done! Please extend our gratitude to all those connected with the success of this tournament."

Signed,
J. M. (Johnny) Burnett,
Executive Secretary

High Water Warning for White River

LITTLE ROCK (AP)—A high water warning for the White River area upstream from Table Rock Dam near Branson, Mo., was issued by Army Engineers here yesterday.

They said the river was swollen by heavy rains of the past few days.

A 10-foot water rise was expected in the vicinity of Kimberling and Long Creek, Mo., where water has risen 10 feet since Tuesday morning.

Nasser No Longer Bound by Agreement

NEW YORK (AP)—The New York Times said today in a dispatch from Cairo that Egyptian President Nasser considers himself no longer bound by the "six principles" for operation of the Suez Canal.

The dispatch, quoting informed sources, said Nasser told King Saud of Saudi Arabia that the British-French invasion of Egypt "washed out" Egypt's agreement at the United Nations last October of the principles Secretary General Dag Hammarskjöld formulated for settlement of the Suez dispute.

Hammarskjöld worked out the six principles in secret talks with British, French and Egyptian leaders at the U. N. They were endorsed by the Security Council and have been considered the basis of any future Suez settlement.

The principles call for insulation of the canal's operation from the politics of any country, freedom of transit for ships of all nations, to over the waterway, fixing of tolls by agreement between Egypt and the nations using the canal, allotment of a "fair proportion" of the tools for canal development and arbitration of any disputes that arise.

King Saud left Cairo yesterday after an Arab summit conference with Nasser, President Sukri Kuwaty of Syria and King Hussein of Jordan.

FBI Enters Search for Missing Girl

BELLMAR, N. J. (AP)—Two six-man crews of FBI agents today moved into the hunt for missing Mary Jane Barker, 4, believed the victim of a kidnaper.

Mary Jane disappeared last Monday morning after her mother had last seen her playing with a neighbor's puppy. The dog also is missing.

The FBI agents moved into the case in full force last night after Bellmar Police Chief Edward Garrity asked for their help.

The FBI men concentrated in particular, Garrity said, in questioning Vern Lovering, 43, of Glendora, N. J., who is being held on charges he molested another girl in the same area. Lovering has denied ever seeing the Barker girl.

The girl's parents, Mr. and Mrs. Frank Barker, still hadn't received a ransom note or any other answer to their published plea for the return of their daughter. Barker, radio and television manager for a Philadelphia delicatessen, is in his car.

A banquet and dance that had been scheduled in Bellmar tonight was postponed "until further notice."

The dance was to have been sponsored by the Jimmy Hope trust fund, which is trying to raise \$10,000 in behalf of a 15-year-old Bellmar newsboy injured by an automobile two days before last Christmas. The banquet was to be for the installation of the fire department's new officers.

The City Council met last night and announced the events were canceled. The Council then started a reward fund for the "return or information leading to the return of Mary Jane."

Second Mortgage on Southland Racing

WEST MEMPHIS, (UP)—A \$300,000 second mortgage on Southland Racing Corp.'s million dollar West Memphis dog racing track has been signed, Southland President Cecil R. Edmonds revealed yesterday.

He said I. M. Properties Co., Inc. identified only as an Ohio firm, took the mortgage "to cover some of their money we've used."

More than \$8,000 in overdue construction bills that brought on property liens and debt suits was recently paid by Southland.

Edmonds said he and Charles J. Upm, secretary of Southland, signed the second mortgage Feb. 22. The mortgage stipulates that the money be repaid in three installments of \$100,000 each. Edmonds said, with final payment due in 1961.

Three School Districts Seek Millage Increase

Saturday March 16, voters will go to the polls in the annual school elections and three districts are asking for an increase in millage.

Hope District 1-A seeks an increase of five mills, from 35 to 40. If approved the increase would give the district the highest rate of taxation of any district in the county. Besides the five mill increase, three directors will be elected for terms of five years.

Patmos School District is asking a three mill increase, from 27 to 30 mills. Also to be decided will be the one director for a five year term.

Hempstead District 3, is also asking a three mill increase, from 24 to 27 mills. This district will be one director for a five year term.

Spring Hill has a 30 mill tax and is not asking for an increase. Besides a director for a five year term, the district is seeking permission to borrow \$3,711 to purchase a school bus and to issue bonds in the sum of \$14,870.

Blevins District is seeking the same 37 mills as voted last year. Also on the ballot will be a \$70,000 bond issue for construction and equipping a new building. Blevins will also elect a director for five years and will name a member to the County Board of Education for a five year term.

Guernsey District seeks a continued 30 mills, the same as last year.

Saratoga has a 30 mill tax and is not seeking an increase. Washington District is also asking the same as last year, a 34 mill tax.

Hope W. & L. Commission Bill Is Signed

HB 18, a bill permitting Hope and other cities to establish permanent public commissions to operate municipal water & light plants, was signed into law by Gov. Orval Faubus Thursday, according to a letter received today by The Star from Rep. Talbot Field, Jr.

The new measure becomes Act 115 of 1957.

Except for minor changes it is the same as the bill which was passed by both houses of the legislature in 1955 and then vetoed by Gov. Faubus on an objection reported to have been made by Paragould, another municipal town.

Burglars Hit King's Drive-in for \$21.50

Feild Named to Segregation Group

LITTLE ROCK (AP)—Speaker of the House Glenn F. Walther today named C. Rogers of Crittenden County and two others to the State Sovereignty Commission.

Rogers sponsored the bill creating the commission in the House. The other appointees are Talbot Field, Jr. of Hempstead and Russell J. Benton of Fulton.

The commission was created for the purpose of delaying or resisting racial integration.

Yesterday, a state senator who opposed the bill creating the commission and another who sponsored it lunched on the commission. The three laymen on the commission have not been named.

Gore Offers Election Reform Bill

WASHINGTON — Sen. Gore (D-Tenn) today offered an election reform bill to fix presidential campaign spending limits at levels he said were "realistic."

The measure also would impose stringent new rules on political contributions and set up strict requirements for public disclosure both of spending by parties and candidates and of campaign gifts by individuals.

Gore called it "a tough bill to meet a tough and difficult situation."

In the last session Gore was chairman of the Senate Elections subcommittee, which conducted a detailed investigation of the 1956 campaign. It reported political spending last year of \$33,185,725, and said the actual amount "far surpassed that figure."

The basic new presidential campaign spending limit in the bill would be 20 cents multiplied by the number of popular votes in the preceding presidential election.

This would mean, for instance, that the candidates for president and vice president on a party ticket could spend something over 32 million dollars in 1960, since the 1956 vote total was a little over 62 million.

Half this total could be spent by national committees and the other half by state and local committees.

The bill also would impose limits on spending in primaries; there are none in this area now.

A national committee supporting candidates seeking nomination for president or vice president would be allowed to spend half the amount it could spend for a candidate in the general election.

The limitation on contributions would be \$1,000 in any year by an individual on behalf of all candidates for federal office. And not more than \$250 of this could go to candidates for the Senate and House outside the contributors' home state.

Individuals who spend or contribute in excess of \$500 in a year would be required to file reports with federal officials.

Candidates for national office and for Congress also would be required to file detailed reports both before and after an election. Political committees would have to meet the same requirement.

The limitation on spending by candidates for Congress would be Continued on Page Two

Israel Before UN Today to Outline Plans

By OM HOGE

UNITED NATIONS, N. Y. (AP)—Israel goes before the General Assembly today to spell out plans for withdrawing her troops from the Gulf of Aqaba coast and the Gaza Strip. Strong Arab opposition was expected if qualifications were included.

A high diplomatic source said the Israelis would inform the 80-nation Assembly they would pull back all troops from the Sarm of Shelkha area of Aqaba and the Gaza Strip in line with Assembly resolutions of Feb. 2.

Representatives of the United States, France and other nations who support Israel's demand for shipping rights in the Gulf of Aqaba were scheduled to speak afterwards. They were expected to call for stationing of troops of the U.N. Emergency Force in the disputed areas until there is no further danger of belligerent action.

The Western plan was said to include support for a UN military administration of Gaza until some new status for the strip can be worked out.

Washington informants said the United States and Israel have contacted a large number of governments in the last few days in an effort to obtain wide backing for such a program. Advocates of the plan were said to feel if agreement could be obtained from enough countries beforehand, Israel could be reasonably certain of achieving its major objectives even though no formal guarantees were obtained from the United Nations or Egypt in advance of a troop withdrawal.

It appeared another General Assembly resolution would be necessary to authorize the U.N. force to stay in Gaza and along the Aqaba coast.

Arab sources in Cairo expressed doubt Egypt would agree to anything but the unconditional withdrawal of Israeli forces, conceding that anything else would amount to rewarding Israel for aggression.

Israel's announcement that she would disclose her withdrawal plan brought a biting attack yesterday from Egyptian foreign Minister Mahmoud Fawzi. He warned that the pull out "must not be the outcome of a bargain made anywhere and in exchange of a price Israel may have been promised by a people who have no right to make any such promise."

Fawzi complained to the Assembly that Egypt virtually had been ignored during the withdrawal negotiations although it had agreed to repeated postponements of the Middle East debate.

Committee to Study Fuss Over Fabrics

LITTLE ROCK (AP)—Seventeen east Arkansas farmers and merchants will try to straighten out a squabble that arose from a fabrics merchandising course offered in the state's vocational education program.

Education Commissioner Arch Ford said a 17-member advisory committee would meet here Tuesday night to discuss the course, which was withdrawn after protests by cotton men.

They objected to the inclusion of synthetic fibers in the course. But several cotton men had advocated continuing the course. They contend that the qualities of cotton will compare favorably with any other fiber.

There's No Evil There Except What You Carry With You

What am I?

You are a small part of a great plan. The more you learn the more you realize the greatness of that plan and find true humility.

Only when you acknowledge the fact that all men are in the image and likeness of God do you understand your relationship to all men, who are equally important parts of that greater plan and vitally necessary to its fulfillment.

The pattern is simple. The evidence is overwhelming. Hate destroys. Love creates. Peace is ours when we abide by the fundamental law of God, which commands, "Love thy neighbor as thyself."

Co-op Sending Out Credit Refunds

JACKSONVILLE, Fla. — The First Electric Co-operative here has started distributing capital credit refunds to customers who were on its lines in 1947. It is the first of the states 18 rural electric co-ops to make such refunds.
Under law, co-ops as nonprofit organizations must refund any surpluses on a pro rata basis.
Manager A. F. Crowell said the refund totals \$49,000 and would be distributed to 7,000 members and former members. He said the refund represents 24 1/2 per cent of the electric bills paid in 1947.
The co-op by 1947 had accumulated a surplus, Crowell said, but waited on its refund until it had built up a backlog to meet emergencies as well as interest payments.
"We are very proud to be the first rural electric co-operative in the state to pay back to the members the earnings for one year," he said.

Best Buys in Markets for the Weekend

By The Associated Press

Shoppers searching for a bargain at the meat counters this weekend will find once again that the best buys are the various cuts of beef.

Beef roast second to pork for many years as the No. 1 meat eaten by Americans, but in recent months beef has been far more plentiful than pork.

The result has been a series of bargains all along the price line. Sirloin, porterhouse and top round steaks will be featured in many stores this weekend. Top round and rib roasts also will be favored, along with the less expensive varieties such as chuck roast and tongue.

Chicken and pork also will be widely featured in some places, while a number of stores also will have bargains on fish. These include smelts, cod fillets and shad.

The fish, of course, will be displayed more prominently in the next few weeks because of Lent, which runs from Ash Wednesday, March 6, until Easter Sunday, April 21.

Tuna fish will be the biggest supply item among canned fish. Eggs are at a seasonal production peak and retail prices generally are at low levels.

Western iceberg lettuce, storage potatoes and such root crops as beets, parsnips and turnips are rated by produce experts as the best buys at vegetable counters. Danish and red cabbage from fall and winter crops in the east also are outstanding buys.

Onions, western carrots, sweet potatoes, escarole, endive, new beans from Texas, spinach, new red potatoes from Florida and Idaho's russet baking potatoes all are listed as good buys.

Pascal celery, grown in California, Arizona and Florida, also moved into the good buy class this week as shipments increased. Cauliflower, broccoli and eggplant are only moderate in cost this week, moving up a bit in price, while Florida's yellow sweet corn and yellow squash have gotten less expensive.

Grapefruit and riper varieties of eastern apples have the most appealing price tags at fruit counters. Tera, Valencia and pineapple oranges; late season tangerines; California navel oranges and lemons; Washington apples and Idaho pears also are priced to catch the housewife's eye.

News Briefs

LITTLE ROCK (AP)—Gov. Orval Faubus today said he approved a pending bill to require insurance companies operating in Arkansas to invest a certain per cent of their funds in Arkansas securities.

The bill, introduced by Sen. Marvin Melton of Jonesboro and others, has passed the Senate but has been acted on in the House.

Faubus said, "I see no reason why companies doing business here shouldn't invest in Arkansas securities."

He was asked if one effect of the bill would be to encourage companies to invest in Arkansas industrial development bonds.

Faubus smiled and replied, "That's the purpose of the bill."

EL DORADO (AP)—The Arkansas Society of the Daughters of the American Revolution opened its 49th annual meeting here today. The meeting will end Saturday morning.

LITTLE ROCK (AP)—Grady Templeton of Fort Smith was appointed Sebastian County clerk yesterday by Gov. Orval Faubus. He succeeds Paul P. Pace of Fort Smith, who resigned.

LITTLE ROCK (AP)—More than 7,000 Arkansas received nearly 13 million dollars in life insurance death benefits last year, the Institute of Life Insurance reported yesterday. The amount was two million above 1955 payments.

JACKSONVILLE (AP)—The First Electric Cooperative said yesterday it has started distribution of capital credit refund checks to 7,000 members and former members. About \$49,000 will be mailed, Mgr. A. F. Crowell said.

Murphy Co. Buys River State Oil

EL DORADO (AP)—The Murphy Corp. has acquired majority interest in River State Oil Co., an independent marketing firm with headquarters at Evanston, Ill.

Russell Marks, vice president of Murphy, said yesterday this was Murphy's first investment in a company engaged in the marketing of refined petroleum products. Murphy, with main offices here, has large oil and lumber interests.

River State operates in Illinois, Iowa, Minnesota and Wisconsin.

DOROTHY DIX Soldier's Illegitimate Child Is His First Responsibility

Dear Dorothy Dix: Lewis and I met last summer. He's been in service the last few months and we have corresponded regularly. He's coming home on leave soon, and has asked me to run away and marry him. However, he says he got into trouble, and a girl who lives near his base is now the mother of his child. He sends her \$40 a month, so doesn't have much left. Do you think I should marry him under these circumstances? I'm 19 and he's 21.

Dear Pearl: What do you want out of marriage, anyway? A wedding ring? You can buy one at the 5 and 10. But if you want a considerable, responsible husband, look elsewhere, girlie.

Would you like to be left in roughly the same situation as the mother of Lewis' child? Well, that's about all you can hope for. Young Lewis has already racked up quite a bit of obligation. The best thing you can do, and it will be a good deed that will pay off a thousandfold, is to have him return to the girl and

fulfill his responsibility. As for yourself, wait for marriage until you've matured a bit more.

Dear Dorothy Dix: After eight months of going steady, my boy friend and I broke up. We both dated others. Last night he called for the first time since we parted. He wants to make up, I like him, but prefer the fun I've been having to steady dating. What should I do?

Dear Renee: Tell the boy that you realize how much you've missed by going steady and what you think it unwise to resume our friendship on the basis. If he's willing to go along as one of the gang, you'll be very happy to have him for a friend.

Dear Dorothy Dix: I'm 17 and fairly attractive, but I've never had many dates. This doesn't particularly bother me at this time. However, it does seem to bother some of our nosy neighbors. Recently one of them, a 13-year-old girl, took it upon her-

Miss de Carlo Gable's New Leading Lady

By BOB THOMAS

HOLLYWOOD (AP)—It's a big jump from queen of the sex-and-sand opies to Clark Gable's costar, but Yvonne de Carlo has made it.

The Vancouver (B.C.) vamp is now playing opposite the King in "Band of Angels." A year ago, folks would have said it couldn't happen. But that was a year ago.

Yvonne herself realizes the change in her career. She has always been realistic and down-to-earth.

"It has been a combination of circumstances," she said. "For one thing, there was 'The 10 Commandments.' And at the same time, I changed agents."

Changing agents is a popular pastime with the stars who want action in their careers. In Yvonne's case, it worked. Her new agent was also Gable's and he was seeking a costar for "Band of Angels."

But a berth with Gable would not have been possible except for the DeMille epic. Yvonne was cast as the wife of Moses and surprises everyone. The film featured some pretty horrendous acting, and Yvonne's calm, workmanlike job stood out brilliantly.

Yvonne's success may also be due to the fact that she is a better performer than she was in the days when she presided over Universal's desert dramas.

"They didn't even give me a chance to do anything important over there," she remarked. "And I wasn't too selective when I got out. I loved to travel, and when somebody said there was a picture I could do in Timbuktu, I'd start packing my bag."

Eventually she bagged down, married stunt man Bob Morgan and had a baby son, Bruce. She also settled down to improving her dramatic abilities.

Hearing on County Road Bills Delayed

LITTLE ROCK (AP)—A special order of business for consideration of a dozen or more bills to add county roads to the state highway system was postponed in the House today until 2 p. m. Monday.

Rep. John P. Bethell of Prairie County, who obtained the approval of the special order yesterday, was granted the postponement.

He said he asked some other interested representatives concerned this morning with Gov. Orval Faubus, who requested the postponement.

Bethell quoted Faubus as saying he wanted more time to consider a pending bill which has passed both houses to add 12 miles of roads in each county to the system.

self to give my telephone number to a couple of boys. I was very annoyed. Am I a prude, or is this the thing to do?

Dear Hester: Your meddlesome neighbor was overstepping the bounds of good taste and judgement. You certainly were not a prude to object.

Dear Dorothy Dix: Marshall and I have been friends for several months. He assured me he didn't have a girl friend, but now admits that he did have, and that I equaled him on the rebound. He says he still doesn't know which of I she prefers. He's the first boy I ever loved.

Dear Sharon: The gal on the scene usually has the inside track. While Marshall is making up his mind, notice him with every charm you have. He's teetering already; a little jolt in the right direction should make him yours.

CHAPTER XXIX

Harlow Tarbox and Alfred Buffington went to call on Chad Morgan. They found him alone in the real-estate office, reading a book on agriculture. His salesman was out, showing some property to a potential buyer.

"Morgan," said Tarbox, "neither Alf nor I know how you're out friends in Pawnee City, we hope you'll agree to what we're about to propose to you." He drew a deep breath. "We want you to be our next mayor!"

Morgan closed his book, put it down on the desk and looked from Buffington to Tarbox, then back to Buffington. "What about Joe?"

"He's not going to run."

"You decided that for him?"

"If you want to put it that way."

"I see," Morgan drew a deep me well enough by now to know me well enough by now to know that it isn't a job I want and I know that you're ready with a lot of arguments . . . It's my duty, et cetera."

"I know it is," admitted Morgan. "I'm one of the founders of this town and I will never get over the feeling of responsibility. I have a pretty fair idea that this isn't going to make me awfully popular with some of the people in this town, but" — he shrugged — "it can't be helped. I'll take the job."

"Chad," exclaimed Tarbox, "all I can say is . . . thanks!"

Morgan made a wry face. "This may be the last word of thanks I'll get from anyone." He got to his feet. "What about our fine judge Do I get him?"

"No," said Buffington. "Good!"

"He's going to the legislature," blurted out Tarbox. "He kind of squirmed into that, but he may be all right in that job. He's got friends at the capital and he'll be out of your hair."

"A lawyer named Carmichael hung up his shingle a few weeks ago," suggested Buffington. "I know. I sold him his office. I think he'll be an improvement over Drake."

That same afternoon Pete Mossman rode into Pawnee City. He had with him his towheaded trail boss, Brog, and a round dozen of Texans.

The cowboys visited The Longhorn Saloon, had a drink or two a piece, then wandered about town. They were strictly under wraps. Having been given explicit instructions by their employer, Pete Mossman, not to cut loose.

Not until the herd was sold, the money in Pete Mossman's saddlebags. Then the men were on their own.

Wild Jack Mason sought out Joe Dagher, at the Drovers Hotel. "Pete Mossman's in town."

"I know it."

"He's brought with him 12-15 men. I've been hearing it all."

Trumans Back From Florida Vacation

KANSAS CITY (AP)—Former President and Mrs. Harry S. Truman returned today from a three-weeks vacation in Florida.

"Glad to be back" was Truman's greeting to a handful of friends as he stepped bareheaded from the rear of the private car which brought them from Florida.

Mrs. Truman, recovering from a broken bone in her left ankle, walked down the Union Station platform without the aid of crutches.

For the former president, the return home was but a brief pause in his travels. Tomorrow he leaves by plane for Oklahoma where he will address the Oklahoma A&M chapter of the League of Young Democrats at Stillwater. Saturday he will be in Oklahoma City.

Sunday Truman will go to Omaha where he will receive a citation from Beth Israel Synagogue in recognition of his contributions to the nation, Israel and humanity.

The mineral springs of the state of Arkansas are one of its important assets. The most famous are those at Hot Springs, Eureka Springs, Heber Springs, Mammoth Springs, and Sulphur Springs.

around town; they've got a grudge against this town. What am I supposed to do against that many men?"

"Mason," said Jagger, "I'm through trying to run this town. But you're the mayor," protested Wild Jack.

"Not any more. My time's up in a few weeks, but I'm not sticking out my neck any more. You go talk to that blather-mouthed newspaper publisher, Fessler. He wants to run this town. You can tell him for me to go ahead. I'm quitting right now."

"This is a good time for me to quit," suddenly grinned Wild Jack. "Let 'em handle Mossman's crowd." He pursed up his thin lips. "Talk is that the cowboys are going to give it to Chad Morgan. Somebody said something about him having a run-in with Mossman last year."

"Not Mossman, his trail boss Brog. Supposed to be quite a revolver man."

Wild Jack scowled at an unpleasant memory. "I got a bone to pick with Morgan myself."

Jagger looked sharply at Wild Jack. "You and Morgan have trouble?"

"The dance last winter. He sided with that bushwhacker."

"I almost forgotten Alder," Jagger said. "Whatever became of him?"

"On the dodge. I imagine. Probably joined up with his old friends. That whole Missouri bunch have turned outlaw. I hear. The Youngers, Frank James, his kid brother, Jesse."

Mason went out of the hotel, passing Helen Jagger coming in. She turned to look after him, then frowning, came toward Jagger.

"Is it true, Joe?" she asked worriedly. "About you — and Chad?"

"Me and Chad?" exclaimed Jagger. "What are you talking about?"

"A silly report that you had been—that you weren't going to run for re-election as mayor and that Chad was king over."

"Who told you that?"

"Mrs. Fessler said it was all arranged. I didn't know whether to believe it or not."

"Chad Morgan," said Jagger dully. "So he's beaten me again. I don't believe it. Chad has no personal ambitions, not of that nature. He doesn't want to be mayor."

"I'll tell you just this much. For old times' sake. For his sake. Tell him to get out of town and stay out for the next day or two. Pee Mossman's men are gunning for him, and, as of just about this moment, there's no city marshal to protect him. Wild Jack's quit his job. And so have I."

Sunday School Lesson

By William E. Gilmy, D. D.

Whether one be Orthodox, Unitarian, Humanist or of skeptical opinion concerning Jesus of Nazareth, there is no doubt about the plain statement of the New Testament.

Many passages make it clear that it is the belief of those who knew and heard Him, He was not just a Son of God in the sense that we are all children of God. The belief was clear that He was unique in His life and mission. It was pronounced in the words of Peter: "Thou art the Christ, the Son of the living God." (Matthew 16:16.)

And its most definite exposition is in the prologue to the Gospel of John (John 1:1-3).

There Jesus is identified with the eternal, creative Word, "In the beginning was the Word, and the Word was with God, and the Word was God." Just all that mystical, philosophical statement means few would dare say.

It leads us into all the mystery of what God is and the meaning of divinity. In the main, men have been far more willing to speculate concerning the nature of God, and to assert almost violently their own dogmas, than to depend upon and trust simpler words of Jesus about God as "Our Father," and His appeal to His hearers to find God through all that is best in human fatherhood (Matthew 7:9-11). I think that passage is one of the most impressive statements in the whole history of religious thought.

What I think is understressed in connection with John's Prologue concerning the eternal nature and divinity of Jesus is the clarity with which the prologue asserts with equal definiteness the humanity of Jesus, "The Word was made flesh, and dwelt among us."

In the knowledge of Jesus as one who "dwelt among them," the disciples "beheld His glory, the glory as of the only begotten of the Father, full of grace and truth."

There is no mistaking the divinity that they saw in Him. Yet they knew Him in the reality of His earthly life, as one who hungered and thirsted was weary and even tempted, went into the mountain to rest and pray, continuing even all night "in prayer to God" (Luke 6:12).

The relationship of the human to the divine in Jesus is emphasized in that reference to His "prayer to God." He did not pray to Himself. He prayed to God the Father.

For me, at least, this impenetrable mystery is not solved by the dogmatic conclusions of the theologians. What does impress me is the impact upon the disciples, and upon the world, of the divinity of the Master in His human life and ministry.

The glory that they beheld was a glory full of grace and truth. In an awareness of that divinity they might well have become a little group, unmindful of their fellowmen, lost in amazement and adoration. Instead, they saw in "the man, Christ Jesus" (I Tim-

W. M. U. Circle 1 Meets With Mrs. Moore

Circle 1 of the W. M. U. of the First Baptist Church met February 25 in the home of Mrs. Charles Moore with 10 members present.

Mrs. W. A. Lindsey voiced the opening prayer. The devotional was given by Mrs. Jack Leslie. The mission study "Home Missions U. S. A." was given by Mrs. Harrell Hines. Mrs. Hody Butler, Circle chairman, presided during the business session. Mrs. J. M. Ingram closed the meeting with prayer.

Refreshments were served by the hostess.

Mrs. Loomis W. M. U. Circle 2 Hostess

Mrs. Roy Loomis was hostess to circle 2 of the W. M. U. of the First Baptist Church at her home on Monday afternoon with 7 members and the president, Mrs. J. H. Langley, present.

The circle chairman, Mrs. Mettie Robinson, called the meeting to order with prayer. The mission study on "Home Missions U. S. A." was presented by Mrs. A. E. Evans and Mrs. Loomis. Mrs. Langley offered prayer.

At the close of the business session the hostess served a salad course and coffee.

"Hell On Wheels" To Be Presented To-night

One of America's most unusual stage shows will arrive in Prescott to be presented there on Friday night March 1, at the gymnasium at 8 p. m. The performers of the show play their parts with most emphatic realism because they really are confined to wheelchairs. The major parts are played by Paraplegics.

However this is not a story about paraplegics. It centers around three lusty lads confined to an Army Hospital. A love story and a tremendous comedy situation develop during the play. The show is climaxed with a tremendous surprise.

The part of Frank is played by the only man in the cast who can walk in real life. Sally is played by Wyndie Dail, a junior in Prescott High School. Specialties by members of the cast will be an added attraction.

"Hell on Wheels" is produced by a Los Angeles, California organization who has made it their business to seek out talented Paraplegics and train them in this profession even though they will never be able to walk again. Many

of them are Master and Teacher bringing religion into daily life and character, through the commanding power of love, in harmony with the love and grace of God as the source and power of salvation.

In and beyond the glory was the Gospel, and the commission to make with power known throughout the world. The divinity, the glory, that the disciples saw became a very practical reality in a message, a life for men everywhere. So it must become for us today.

you'll have no scandal — and no scandal magazines."

The committee heard testimony about a proposed \$350,000 movie industry fund to combat scandal magazines and about a pocket electronic device that can radio a conversation to a recorder in a panel truck three blocks away.

The Senate committee is investigating whether state laws need tightening to stop private eyes from selling information on their clients to expose magazines.

Otash, 35, black-haired and manured, said he never had done that and knows no private eye who have. He said he was paid a minimum retainer of \$7,500 a year by Hollywood Research, Inc., which he said "buys stories for publications such as Confidential and I imagine, other scandal magazines."

The husky investigator said he went with Anita "for about seven or eight months in 1954."

Sen. Edwin Regan (D-Weaver) asked him about an article in the magazine concerning Miss Ekberg and British actor Anthony Steel, now her husband.

"Yes," assigned men to photograph Anita and her house," Otash replied. "One photograph was made at the beach where my man hid behind a hill and shot movies of her coming out of a beach house. He had a telephone to lens."

Otash described his agency's wireless listening device and said the panel truck has "one-way mirrors so pictures can be shot from the inside to the outside."

The proposed movie industry fund was described by another private investigator, William S. Lewis, who testified that late in 1955 he had a "long conference" with Mervyn Leroy in the producer-director's office regarding a movie industry organization to combat expose magazines. Nothing came of the plan, which Lewis estimated would cost \$350,000.

10 cents multiplied by the number of votes in the previous election for that office, but the limit would not be less than \$50,000 for a statewide race or \$12,500 in a congressional district.

Not more than 10 percent of the authorized limit could be spent from the personal funds of the candidate and his spouse.

Warns Defeat of Ike's Plan Could Hurt

WASHINGTON (AP) — Sen. Kennedy (D-Mass) cautioned today that defeat of the Middle East resolution would "embarrass" President Eisenhower in a time of crisis and "disarm" friendly nations in the area.

He said he would support the resolution despite his belief it is "an unnecessary error" supported only by "urgent pleas for speed and unanimity, exaggerated justifications and evasive testimony, without any demonstration of critical need."

Kennedy spoke out in an address prepared for Senate delivery at an unusual 10 a. m. session as Democratic Leader Lyndon B. Johnson of Texas exerted new pressure in an effort to speed a vote.

Kennedy joined with four other Democrats in opposition to a proposal to strip the resolution of presidential authority to spend up to 200 million dollars in available foreign aid funds on a crash basis in the Middle East.

The other, all equally critical of the administration, were Senators Church (Idaho), Carroll (Colorado), Sparkman (Alabama) and Symington (Missouri).

He amendment, offered as a substitute for the resolution, would limit the resolution to a pledge of readiness to use troops to assist nations requesting help in resisting Red armed aggression in the Middle East.

Secretary of State Dulles sent two urgent letters to the Senate yesterday opposing the substitute, which is now sponsored by Democratic Senators Russell (Georgia), Byrd (Virginia), Stennis (Mississippi) and Anderson (Nevada).

Dulles gave assurances the economic assistance authority would not be used as a springboard for launching a Middle East spending program that ultimately will cost "billions of dollars," as Russell and his associates contend.

Sixteen bright new songs, some of them already gaining popular favor, are heard in "Rock, Pretty Baby," gay rock 'n' roll romance from Universal-International, starring Sal Mineo, John Saxon and Luana Patten, which opens Sunday at the Saenger theater.

Most of the new tunes are of the rock 'n' roll variety but there are also some ballads and "mood" pieces. Of the sixteen songs, six are played or sung in their entirety only snatches of the other ten are included in the sound track.

The six which are heard in their entirety are the title song, "Rock, Pretty Baby," and two others in the rock 'n' roll groove, "Can I Steal a Little Love?" and "Rock-a-Lullaby Blues"; two in the ballad or "mood" classification, titled "Happy Is a Boy Named Me" and "Picnic by the Sea"; and one in fox trot rhythm titled "What's It Gonna Be?" The ten of which only excerpts are heard are

U. S. Poultry Inspection Is Approved

WASHINGTON (AP) — Proposed legislation for compulsory federal inspection of poultry has the approval of the Department of Agriculture.

Assistant Secy. Earl Butz testifying yesterday before the Senate Agriculture Committee endorsed a bill by Sen. Aiken (R-Vt.) which is similar to another measure by Sen. Talmadge (D-Ga.) that also is before the committee.

At the same time, Butz objected to several provisions of a bill on this subject offered by Sen. Humphrey (D-Min).

The Humphrey bill designates the agency within the Agriculture Department which would handle the inspection program and Butz said this should be left to the secretary.

Butz said the department also is opposed to a provision of the Humphrey bill prohibiting interstate movement of undrawn poultry.

H. I. Miller, director of the department's poultry division, said the department wants clear authority for requiring inspection both before and after slaughter and the language of either the Aiken or Talmadge bill makes this possible at the discretion of the secretary. The Humphrey bill would make the before-slaughter inspection mandatory.

construction of a Boy's Home is scheduled to begin soon.

This is one of the projects sponsored by "Youth Incorporated," an organization whose primary purpose is to give aid to young people. Youth Inc., was founded at A. M. & N. College, Pine Bluff, Arkansas in March, 1953, by Rev. C. S. Stearns, present Pastor of BeeBee Memorial C. M. E. Church, this city.

In 1953-54, the organization maintained scholarships for twenty-two students at A. M. & N. College, Pine Bluff, Ark., five students at Philander Smith College, Little Rock, Ark., one student at Gramlin College, Ruston, Louisiana.

Recently, the project has been promoting talent, not just local, but statewide, with special emphasis being placed on plans for a Summer Camp for the youth of Hope, and the surrounding area.

Ninety-five per cent of the support of Youth Inc., comes from local and state firms.

Local Board members of the organization include: (Honorary) Messrs U. G. Garrett, O. A. Graves, and L. B. Tooley; Active Messrs Bert Pearson, Russell Johnson, Frederick Newton, and R. A. Hicks.

The acreage shown here will be Headquarters of Youth Inc., and the "Home" will accept boys from broken homes, and Criminal Institutions from over the State. Recreational facilities will be provided. This site is located on Highway 67, west.

Legal Notice

LEGAL NOTICE The annual school election will be held by the qualified electors of the Spring Hill School District No. 10, of Hempstead County on Saturday March 16, 1957, between the hours of 8:00 A. M. and 6:30 P. M.

The electors will vote a school tax of 30 mills, 16 mills for maintenance and operation, 9 mills for the retirement of existing indebtedness as evidenced by bonds which 9 mills has been previously voted and is a continuing annual tax until bonds are paid in full, 5 mills of this tax is to be collected annually for the purpose of paying the principal and interest of a proposed bond issue of \$14,870, which will run for a period of 15 years and will be issued for the purpose of refinancing of indebtedness, which will constitute a continuing annual levy, until the principal and interest on bonds are paid in full. The surplus each year in the Debt Service Fund may be used by the district for other purposes, after providing for principal and interest maturing that year and the next six months' interest on all outstanding bonds.

To elect one director for a period of 5 years.

The polling places in the district will be the same as heretofore designated.

Arkansas Boxer Kayoes Opponent

ALAMEDA, Calif. (AP)—Paul Rogers, Little Rock, knocked out Edward Martin, Seattle, in the first round of a scheduled 3-round fight in the All Navy Northern Pacific Boxing regional finals at Alameda Naval Air Station last night.

The winners will go to the All-Navy Championships March 4 in Newport, R.I.

Derby Entries Last Year Race Today

HOT SPRINGS, Ark. — G. R. White's Trim Destiny and Mrs. A. M. Creech's Styrruner who finished one-two in the 1955 Arkansas Derby, were to meet again today in the featured \$3,000 Airlines Purse at Oaklawn Park.

The 5 1/2-furlong allowance event marked the first start in two years for Trim Destiny, who has been training well for his comeback. He was entered twice previously at this meeting but was withdrawn.

Trim Destiny was to be paired with Chalalaw. Eleven horses were to be in the race.

Styrruner was a close-up third to all comers in the opening day inaugural. He won three events last year.

Topweighted at 120 pounds was Newman Low's Akkoy, who accounted for five races last year. The impost is one pound over that assigned to Styrruner and 10 more than the burden on Trim Destiny.

H. H. Mundy's Coltoni, who finished a neck before Styrruner in the inaugural and only a half-length back of All Comers, his stablemate, was also entered in the Airlines, and carried the same impost of 110 pounds.

Others in the feature was E. L. Lovelace's Lord Deanside, who finished fourth in the inaugural; E. K. Carey's Dupatta, Clyde Jennings' Court Dowd, Mrs. F. E. Brons' Scarlet Flash, Emil Denemark's Fiddle and W. D. and Guy Horick's Blue Call.

Today's card also offered the first 2600-yard race of the season with a full field scheduled to start. Emil Denemark's Big Power won the featured \$2,600 Trailways Purse before a crowd of 6,574 yesterday. The mutual handle was \$343,527.

Big Power crossed the finish line five lengths ahead of J. Kel Housell's First Bond, the early pacesetter. R. E. Hirst's Livitup was third.

A favorite despite his long lay-off, Big Power paid \$620, \$4.40 and \$3.40.

Red Chip Bond, an odds-on choice, was linked in a \$480 daily double with Thomas Gray's Maveodaphne.

The day's longshot laurels went to E. K. Carey's Somali Ted, who came through fast on the inside in the stretch to collar favored Neal's Boy in the final strides. Somali Ted returned \$30.40 for a \$2 win ticket.

Pollution Bill Finds Support

LITTLE ROCK — Rep. James A. Pomeroy of Union County, waving a quart bottle of muddy river water, obtained unanimous support today for a bill which would triple the appropriation of the State Water Pollution Control commission.

Pomeroy said the quart jar of water was taken from the Ouachita river between Calion and Smackover creek. His dramatic appeal for support gave him 91-0 approval of the bill.

He said the past appropriation for the commission, approximately \$33,000, was not enough to hire three good engineers to be used as expert witnesses in pollution suits.

The bill would raise the appropriation to \$90,000 per year. The funds are paid in equal amounts by the Public Health Department, the Oil and Gas commission, the State Forestry department and the Game and Fish commission.

Longden Marks 500th Victory

ARCADIA, Calif. (AP)—Jockey Johnny Longden went back to work as usual today, totally unimpressed with the thought that a man who has just ridden his 500th winner on a race track should take a holiday.

The galloping grandpappy, reached the miracle figure in the fourth race at Santa Anita yesterday, another bright milestone in his 30 years of thoroughbred racing.

Is he ready to hang up his tack? "Naw, I'm just starting now,"

Arkadelphia, Nashville, DeQueen in Victories

District 7W Class A Senior boys basketball tournament got underway last night in Jones Field House with Arkadelphia, Nashville DeQueen winning. Officials for the tournament are Hugh Reese and Billy McClendon, timekeeper Teddy Jones and tournament scorekeepers Judy Robins and Norma Taylor.

Arkadelphia vs Prescott — The Arkadelphia Badgers opened the tournament with a 42 to 38 win over Prescott. Coach Terrell Calhoun's Carl, Wesley Edwards played plenty of hustle but their shots were skimming the rim and going out and the Badger superior height on rebounding proved the difference. Arkadelphia led 10-8, 20-14 and 33-30 at the quarters. With 2 minutes to play, the Wolves pulled to within one point of the winners, but Coach Cecil Kemp's boys pulled the freeze and when Prescott started the press, fouls were committed and the Badgers dumped in the free throws for the victory.

Scoring for Arkadelphia were Rodney Holt with 16, Freddie Glaze 10, Hank Holt 9, Bruce Ingram 8 and Dan Hanna 1. The Badgers hit 19 field goals, made 11 of 24 free throws, committed 8 fouls and scored 42 points.

Martin Gilbert led the Wolves with 12 points, Hershel Hooks 9, James Phillips 6, Buddy Formby 4, Bobby Jones 3 and 2 apers for Don Calhoun and Max Calhoun. Prescott hit 17 from the field, 4 of 13 free throws, fouled 20 times and a total of 38 points.

Nashville vs Gurdon — Coach Dwight Jones' Nashville Scrappers defeated Gurdon 61 to 40 in the second game last night. The Scrappers hit 24 field goals, made 13 of 24 charity tosses, and committed 14 fouls. Nashville led 17-14, 20-22 and 48-24 at the quarters.

Coach Grady Kathey's Go-Devils hit 14 from the field, made 12 of 20 free throws and fouled 17 times. Scoring for Gurdon were Dale Roe with 10, Tommy Bratton 10,

8 each for Tommy Wells and Larry Guynn and Ray Tucker 4. D. B. Allen led the Scrappers with 25, Ken Robbins 10, Billy Masey 8, Woody Futrell 6, Ronnie Blakely 5, Pat Carter 4 and Jerry Johnson 3.

Ashdown vs DeQueen — Ashdown and DeQueen battled to a 52 all score and went into a 3 minute overtime with the Leopards winning out 60 to 52. Leading 13-8, 26-21 and 42-32 for three periods the Panthers still had a 4 points lead with only a minute and a half to play.

Choosing to increase their score rather than freeze, the Panthers shot, missed, and twice the Leopards rebounded and marched down to score and tie up the ball game. DeQueen picked up 8 points in the overtime and the scrappy Leopards came down were out of the tournament.

The loss of Jimmy Cobb and Tommy Bass on fouls hurt the Panthers, but they still could have won had they chosen the ice route. Scoring for Ashdown were James Sutton with 10, Tommy Bass 12, 7 each for Jimmy Cobb and Tommy Jester. Dale Booth 5 and Billy Withem 4. The Panthers hit 13 field goals, made 26 of 35 free tosses and received 19 penalties.

Coach Howard Carver's Leopards hit 22 from the field, made 10 of 20 free throws and committed 20 fouls. Scoring for DeQueen were Mike Beck with 20, Lyndal Smith 15, Jerry Kulan 10, William Gentry 7, Johnny Cox 4 and 2 each for Homer Henry and Warren Norwood.

Tonight in the semifinals, Nashville plays DeQueen at 7:30 and The Hope Bobcats take on Arkadelphia at 8:50 p. m. The finals will be Saturday night at 8 p. m. Admission is 25c for students and 50c for adults.

Rosi Favored to Win Tonight

NEW YORK (AP)—Although he has an unbeaten streak of 13 and is the third-ranking lightweight contender, boxing stylist Johnny Gonsalves of Oakland, Calif., is a 7-5 underdog to unranked Paolo Rosi for their television fight tonight.

The two lean 135-pounder will clash in a 10-rounder at Madison Square Garden (NBC-TV, radio, 9 p. m. CST).

Detroit Tigers Next to Yanks, They Report

LAKELAND, Fla. (AP)—The experts already have conceded another American League pennant to the New York Yankees, but for sheer conversation, you can't find many teams in front of the Detroit Tigers.

Few, if any, second-division teams ever approached a new season with more confidence and optimism. And from all outward appearances—from the top money men in the organization to the lowest paid hireling—the spirit is genuine.

Their hopes buoyed by a king-sized shakeup, including new owners, new manager and some new personnel, the Tigers feel this is the year they'll move back into the first division, a place they haven't reached since 1950.

The new spirit can be felt and seen everywhere as the club officially opens spring training today at Hensley Field.

No fewer than eight players who will be performing for new manager Jack Tighe had their best major league season in 1956. Can they repeat Tighe believes most can, and says there will be more over-all strength, more capable players available to take up the slack should others fade.

John Felzer, new chairman of the board of directors who is having his first fling at baseball ownership, flew into Lakeland yesterday and was happy to separate "fact from fancy" for newsmen.

"We got rid of that country club atmosphere right away," Felzer started "Last year when we had our first look at the club Fred Knorr (now president) remarked that the Tigers were the happiest bunch of fifth-place players he'd ever seen."

"We've made changes since then, and we've showed we're not afraid of change. We wanted a revitalized organization from top to bottom, and we've got just that. The right spirit and a winning attitude are inseparable companions of victory."

Felzer was a key man in the 11-man syndicate that paid \$5 1/2 million dollars for three Tigers last summer.

Delight Advance in B Tournament
LITTLE ROCK (AP)—Marmaduke tangles with Delight and Hampton plays Viola tonight in the semi-finals of the state Class B Senior boys basketball tournament here.

Delight pulled ahead in the third quarter last night to knock off Valley Springs 39-77. Marmaduke trounced Oden 73-53.

In afternoon contests Hampton edged Dover 64-62 and Viol broke away from Prairie Grove in the final four minutes for a 59-45 victory.

sea for shipboard scenes. Sixth day — Go to Coronado, Calif., to shoot underwater demolition scenes.

Seventh day — "I finally got home for a little while," said Castle, "and saw my wife. She was getting sore at me because we never seem to see each other any more."

Although Castle's wife may be temporarily irked at him, the Navy isn't. Neither are numerous viewers who enjoy the Ziv-produced series on nearly 100 TV stations around the country.

A board of officers at the academy and a review board in the Navy Department cull and closely scrutinize the series for accuracy. So careful of detail are they, said Castle, that one set had to be pulled down because the grain of the floor was not exactly right.

The Navy's determination for authenticity of fact and detail plus Castle's determine to present interesting television entertainment.

Lafayette was married in 1774 to Adrienne d'Ayen-Noailles in a house in Paris which still stands. It is now the Hotel St. James et d'Albany on rue St. Honore.

Producing 5 TV Films Is a Busy Life
By CHARLES MERCER
NEW YORK (AP)—It's not a leisurely life when you're producing five television film programs a month in a variety of places. Ask William Castle, producer-director of "Annapolis," the series about life at the Naval Academy. He describes a typical week thus:

First day—Gather half the cast and camera crew in New York and fly in the other half from Hollywood and dash to Annapolis to shoot some sequences.

Second day — Go to the Navy's daily farm in rural Maryland to shoot scenes of a midshipman having a fight with a bull and then go on to Baltimore for further scenes.

Third day — Fly to Hollywood. Fourth and fifth days—Board a destroyer at San Diego and go to
